Which of these statements describes your relationship with Poly-MVA?

(Check all that apply. There is a place for comments on the second sheet)

- I have been using Poly-MVA with some of my patients/ clients, and I'm open to using it with those who get my name from the Poly-MVA website.
- I have not yet had the opportunity to use Poly-MVA with my patients/clients and look forward to doing so.
- I have recommended Poly-MVA in the past, but do not at this time.
- I endorse the use of Poly-MVA and publicly recommend its use to my professional colleagues, but I do not use it in my practice.
- I have had extensive experience in successfully using protocols that include Poly-MVA
- I have had extensive experience in successfully using alternative protocols, but not much experience yet with Poly-MVA. I would like to use Poly-MVA more often.
- I have not yet worked with many alternative protocols and look forward to working with Poly-MVA.

I am available for *phone consultations*:

With other practitioners only

With cancer patients and/ or their families

Without charge

For a fee

I'm available for *in-office consultations* with those who contact me from the Poly-MVA website.

I currently offer Poly-MVA for sale and keep it in stock.

I currently order Poly-MVA from AMARC Enterprises and have it drop shipped to my patients/ client.

I ask patients to order Poly-MVA directly from AMARC Enterprises.

I have been approved for the practitioner's price from AMARC Enterprises.

I have not received an application for the practitioner's price.

I do not currently offer Poly-MVA for sale, but I would like to in the future.

I am enclosing a short description of the services and approaches I provide in my practice, and would like to add it to my listing.
